

DECCA 3 D SKETCH

Dear Customers

Please find the enclosed 3 D sketch for hole provisions for your water storage requirement.

Please indicate where you require the hole provisions in the Sketch

Please indicate clearly next to the marking which connection it corresponds to.

Please complete the connection detail box with required size & quantity.

Please indicate the divider position in the sketch **(if any)**

Please fill in Customer Name & project reference with corresponding Purchasing order number.

Please note these the 3 D sketch markings are only for hole provisions unless fittings are ordered with the tank.

If required we can supply tank fittings ex-stocks from our stores, Please contact our sales department for a quotation.

Once completed fax back the sheet to **01772 204 967** for the attention of Production.

Important Product notes & technical information can be downloaded from our web site or contact our technical department on 01772 8257 57.
